PROFESSIONAL EXPERIENCE

ROYAL BANK OF CANADA

Product Specialist, RBC acquisition of HSBC Canada

Toronto, ON

Dec 2023 – Feb 2025

Supporting migration of complex (corporate, international subsidiary banking) clients from HSBC Canada to RBC across treasury and cash management products (ISO20022 XML, CPA1464, CA300).

- Led presentations with client's senior management to onboard -50 complex global commercial and corporate clients *adding - \$5.2MM in Cash Management / Payments revenue* by showcasing extensive product knowledge, superior customer service exceeding expectations of delivery and response time, and managing project milestones
- Drove business development by covering client's daily needs, educating them on RBC best practices, presenting informed perspectives and recommendations that led to *10+ referrals* to other business lines, strengthening the share of wallet

SCOTIABANK

nCino Product Owner, Business Transformation in Commercial Banking

Toronto, ON

Oct 2022 – Sep 2023

Led the roadmap development and execution for credit origination, covenant and collateral management; transforming commercial banking in Canada's 3rd largest bank. Honed skills in stakeholder management, data, and trade-off analysis to deliver products for bankers.

- Spearheaded a pilot project overhauling loan covenant management by iterating wireframe solutions against stakeholder feedback; led to *-31% reduction in overdue reporting* and faster response to offside covenants
- Evaluated and integrated new technologies that patched production issues in relation to collateral, Loss Given Default calculations, and trained bankers in leveraging nCino's gold standard of collateral and covenant management
- *Led a team of 20* to implement credit decisioning process improvements for commercial lending, increased operational efficiency for bankers and adjudicators, *reducing end-to-end sales cycle time by 51%* from 41 days to 27 days
- Maintained a product backlog that effectively balanced scope and priorities, defining over 50+ user stories and directly contributing to launching net-new key features and enhancements with *-10% reduction in production support calls*
- Guided >35 product discovery panels in commercial banking adjudication / disbursement; participated in development of critical loan origination technology to build features that led to *\$1.6MM reduction in overcharges*

Associate, Mid-Market Commercial Banking

Feb 2022 – Oct 2022

- Built strong rapport with clients and C-suite relationships beyond initial financing ask by serving as a trusted advisor, proven by generating *\$25MM in referrals from satisfied clients*
- Effectively analyzed financial statement to provide investment recommendations with prompt turnaround, working across business lines, resulting in *\$16MM of financing from repeat business*

Small Business Advisor

May 2019 – Feb 2022

- Awarded *Best of the Best* for meeting demands of a high-volume, multi-priority environment by exceeding targets and *expanded book of business by +26% in lending*, +10% in deposits, and added +150 primary banking relationships yoy
- Consistently ranked *Top 10 SBA* in Toronto region by building a reputation being the subject matter expert in Small Business Lending, Digital Banking, and Investments, and coaching newer advisors on best practices

BUSINESS DEVELOPMENT BANK OF CANADA

Client Relationship Officer

Kitchener-Waterloo, ON

Sept 2017 – May 2019

- Demonstrated strategic lead generation acumen, forging referral relationships with local partners (accountants, lawyers, commercial RE brokers), and orchestrating a single event that resulted in *\$400,000+ of deals* in financing / consulting
